

# Out of Office Optometric Assessments

At Eyecare Eyewear, we understand that maintaining good vision is crucial for quality of life, but getting to an optometry practice can be a significant challenge for some.

That's why we are proud to offer comprehensive out-of-office optometric assessments, providing expert eye care in the comfort and familiarity of your own environment.

## Book Now

Our domiciliary service is perfect for residents in nursing homes and larger care organizations. We bring our equipment and expertise to your facility, ensuring comprehensive eye exams in a comfortable, familiar environment. This means no more worries about transportation, reducing stress for both residents and staff.

Our experienced optometrists provide thorough assessments, including vision testing, prescription checks, and health screenings for conditions like glaucoma and cataracts.

We can also assist with spectacle dispensing and adjustments.

By choosing our out-of-office services, you're opting for convenience, accessibility, and peace of mind. We seamlessly integrate with your care team to provide holistic vision support.
